(817) 763-0999

**SHOPS**

## **TERMS OF SALE**

All prices in this catalog are subject to change and will be billed at prevailing prices at the time of shipment.

Payment may be by check or Postal Money Order. We are sorry, but we do not ship C.O.D. The minimum order for merchandise is \$5.00. Texans please add current sales tax to your orders.

## **SHIPPING**

All castings are shipped via United Parcel Service unless they exceed 50 pounds. Items over 50 lbs. are shipped via motor freight. All merchandise is shipped, charges collect.

## **A WORD ABOUT OUR PRODUCT**

We make every effort to provide a quality product, and all castings are checked for external defects prior to shipment. If, during machining, a defect is found, upon receipt of the defective casting, you will be shipped a replacement at no extra charge to you, shipping, prepaid.

## **FUTURE PROJECTS**

We are already at work on the design of a new road diesel that the average modeler can afford. Look for news about it in the fall of 1984. We will be adding more live steam castings next summer, in addition to more "extra-detail" parts to dress up locomotives and equipment.

We welcome your comments and suggestions regarding new castings and/or kits you would like to see introduced to the hobby.

Coming soon – 2½" scale Narrow Gauge Freight Car Trucks.

## BETTENDORF TRUCK KIT

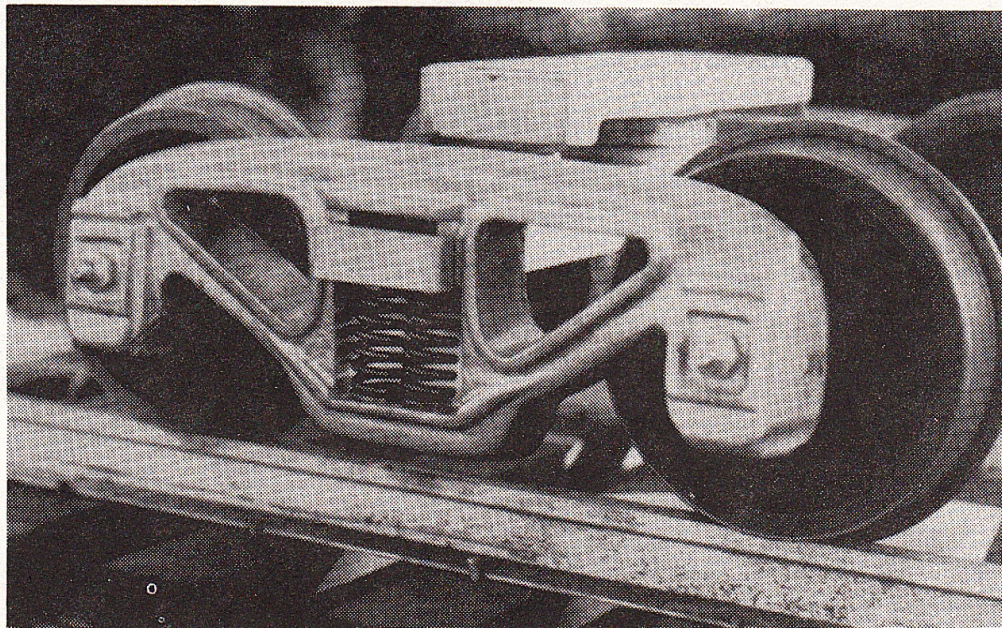

Part. No.	Description	No. Req.	Material
#101	Wheels	8	Metal
#102	Side Frames	4	Aluminum
#103	Bolsters	2	Aluminum
#104	Bolster Plates	2	Aluminum
#S-1	Coil Springs	8	
#A-1	1/2" Dia. Axles	4	Steel
	Truck Plan	1	
#NB-1	Nice Ball Bearings	8	

THESE TRUCKS ARE FULLY SPRUNG & EQUALIZED  
AND HAVE CARRIED WEIGHT IN EXCESS OF 1000 lbs.

Kit No.

	Instructions		
#NB-1	Nice Ball Bearings	8	

THESE TRUCKS ARE FULLY EQUALIZED

Kit No.

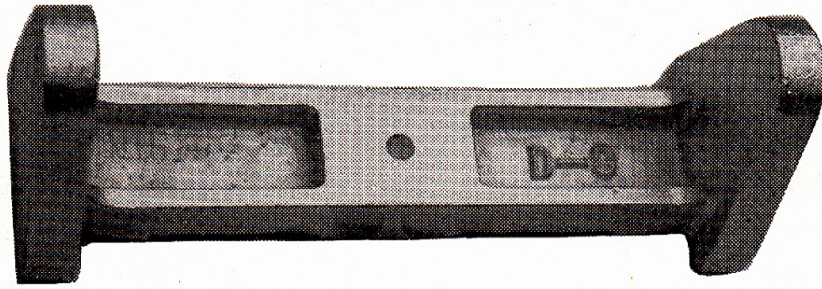

- D-RC (Rough Castings – Less Bearings)
- D-MC (Machined to fit Nice Ball Bearings)
- D-RTR (Ready-to-Run with Nice Ball Bearings)

Add the price of eight (8) bearings to kits #D-RC & D-MC if Nice Ball Bearings are desired.

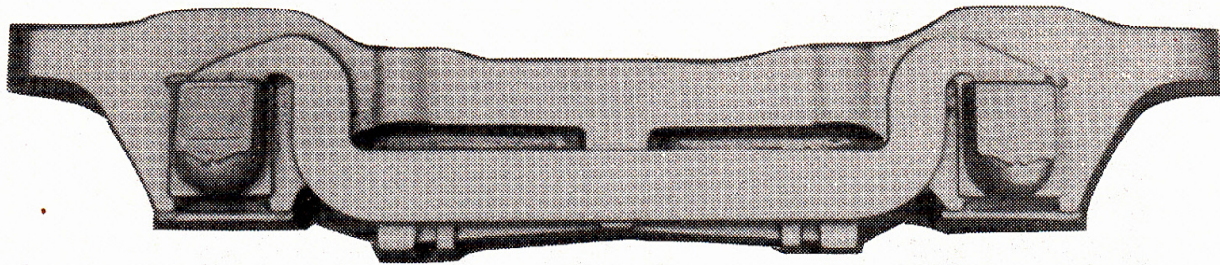

## **DIESEL TRUCK POWER BOLSTER**

If you want to make one or two power trucks from the diesel truck kit (#D-RC), delete one or two bolsters #83 and add one or two power bolsters to your kit order. These bolsters add the side depth necessary for sprockets and chains.

Part No. D-9 Power Bolster Casting (Aluminum)

## **AAR TYPE A SWITCHER TRUCK**

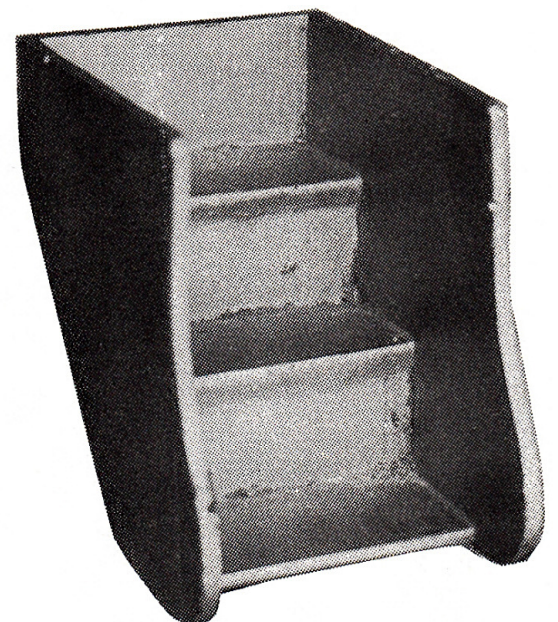

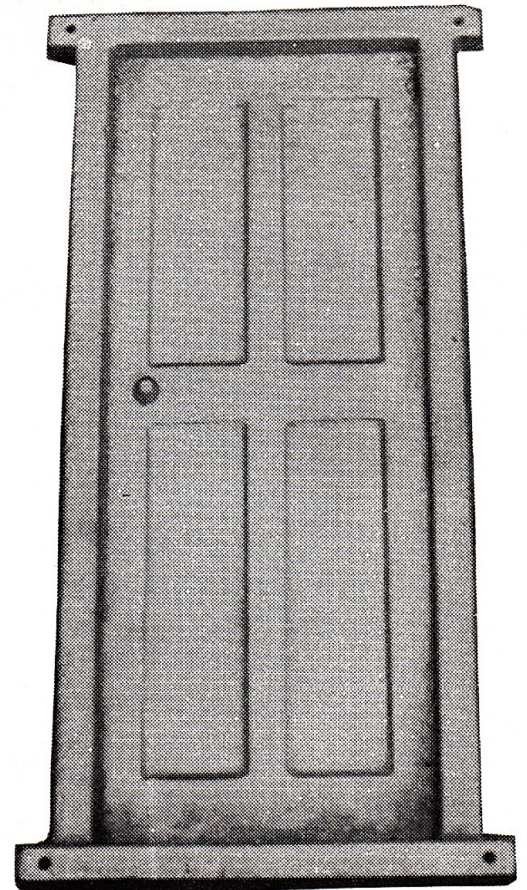

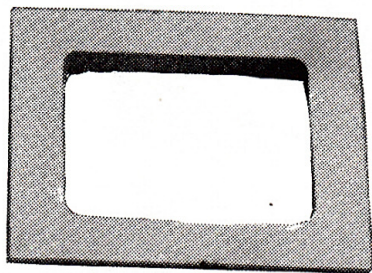

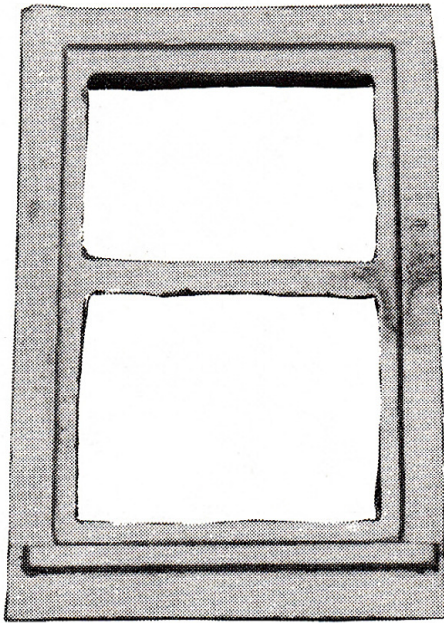

Aluminum Side Frame Only  
Part No. AAR-1

You can use Power Bolster, Part No. D-9, and bolster plate, Part No. 82, to make a complete switcher truck.

## CABOOSE PARTS

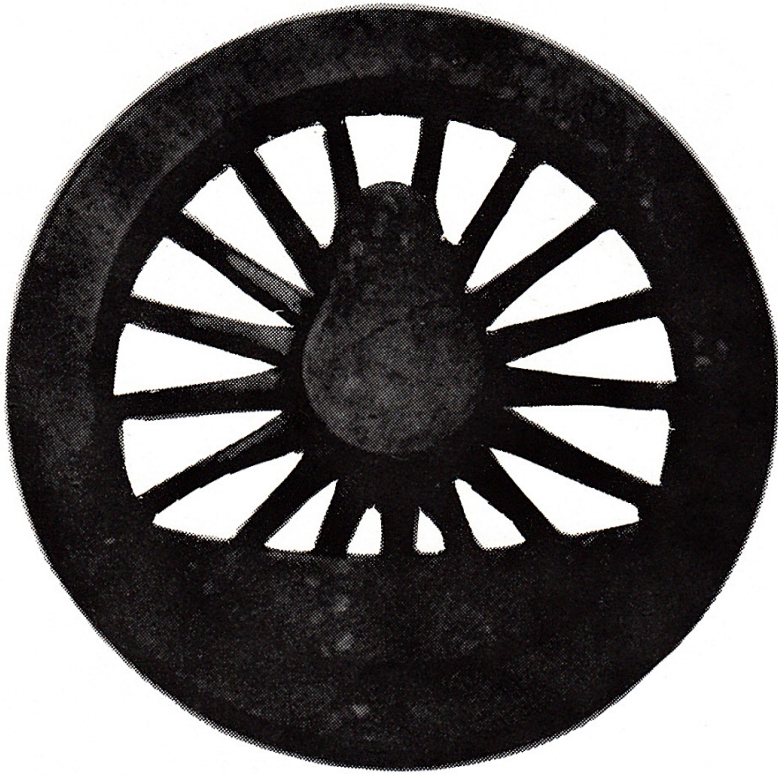

- Part No. C-112 End Step
- Part No. C-113 Cupola Window
- Part No. C-114 End Door
- Part No. C-115 Side Window

ALL CASTINGS ARE  
HIGH—GRADE ALUMINUM
