

**CP 173      1-1/2" SCALE - 7-1/2" GAUGE**  
**HEAVY AMERICAN 4-4-0**

This is the pride of the Central Pacific Railroad. This locomotive has the most pulling power of any American type offered to the live steamer. Accurate detail – Solid engineering. Castings available very soon.

**B & O 1-1/2" SCALE - 7-1/2" GAUGE**

C-16 (Tanker Version)

C-16A (Slope Back Tender Version)

**O-4-0 SWITCHER LOCOMOTIVE**

The most accurately detailed engine design ever offered the 1½ scale builder. (Many lost wax castings are used). This locomotive is the only true "Kitchen Table Assembly" model available. Only simple hand tools required to complete – No holes to drill or tap! Available December 25, 1970.
